

Description

The Peninsula condominium in Puerto Vallarta is a true oasis of luxury and comfort, offering an exceptional living experience for its residents. With a 24-hour surveillance system and a security booth, it guarantees tranquility and privacy. Private beach access, equipped with a security gate, allows you to enjoy the sand and sea with complete confidence. The green areas provide a relaxing natural environment, complemented by an exclusive beach club and two restaurants where residents can delight in a variety of dining options. The facilities include three swimming pools, two of them heated, with waiter service both in the pool and on the beach, ensuring first-class service. In addition, the condominium has a gym, spa, sauna, steam room, playroom, movie room, pool table, ping-pong, and a children's play area, offering entertainment for all ages. With a 24-hour front desk and covered parking for two cars, plus an additional open space, Peninsula Puerto Vallarta is presented as an ideal vacation retreat in a sophisticated location full of amenities.
